Re: Council Report for Police Department September, 2016

ADMINISTRATION:

As the seasons change so do the types of criminal activities. As a community we will see less tourist activities along with many of our summer homes being vacated. The Mexico Beach Police Department will have a more active presence in our neighbor hoods on foot patrol conducting door to door walk and talk surveys. The purpose of these surveys is to make contact with our citizens that are year round residents that have an active day to day view of the comings and goings of their neighbor hoods. Not only is this beneficial to the City, it also gives the Police department an idea of the vacant homes. The surveys consist of a few questions like have you seen anything out of the ordinary or have you noticed any street lights out. This information is then forwarded on to the appropriate agencies to take corrective action to make our City the City that keeps our tourist coming back year after year.

The following is a breakdown of Criminal patrol activities for the month of September 2016.

Arrests	04
Assist other agencies	05
Animal calls	02
Abandoned vehicle	0
Accident W/Injury	01

Accident W/No injury	04

The above listings are all calls for service. The majority of the calls only one officer was responding from the Mexico Beach Police Department.

Training:

Ongoing training is being conducted with each Officer each month. Officer B. Hauversburk is no longer assigned to work Code Enforcement and is filling in for Ms. Laure while Ms. Laura is on vacation. Upon the return of Ms. Laura Officer Hauversburk will begin her Field training in Criminal Patrol in which she will be assigned to a Field Training Officer.

Personal note.

Sgt. John Bailey has returned back to full duty and just had his Birthday. We are all glad to see him back...
